

# WESTSIDE CAFE

2570 9<sup>TH</sup> ST. BUNKER ROAD, BERKELEY, CA 94710

Westside Cafe in Berkeley, CA recently decided to upgrade their lighting to new lighting which is both energy efficient and improves the quality of light within the café. Not only will Westside Café save money on their energy bills, owner Janice Chapler mentioned the customers and staff enjoy the new “even and beautiful” lighting. The quality of light is important within a fast-paced restaurant environment, as having a “better, brighter color for seeing in the café” is essential.
